Board for the Mare, if breeding at The Lewis Ranch Stallion Station, shall be at the rate of \$7.00 per day for Dry Mare care and \$9.00 per day for Wet Mare care (with foal at side). This fee is payable upon the Mares departure along with any balance of the Stud fee and any Veterinarian/farrier fees due. All Mare care and expenses on mare/foal shall be paid upon mare's departure/ monthly upon receipt of invoice via email or USPS at the end of each month.

The Stallion owner strongly suggests Mare be checked by a Veterinarian for breeding condition and cultured (exceptions: Maiden mares) to insure she is free from infectious, contagious or transmittable disease and clean for breeding. Stallion owner will attempt to settle mare with reasonable diligence and may, at her discretion check said mare for follicular activity in the event she is not showing estrus after 15 days of teasing protocol. If however, for any reason the mare does not settle, mare owner will hold Stallion owner harmless as Stallion owner shall assume no liability for a Mare that will not breed, cannot conceive, or for accident, sickness or death of the Mare or foal, but will exercise every reasonable effort to settle Mare and use good judgment in care and supervision of Mare and her foal. Mare owner, in turn, shall not be responsible for injury or accident to Stallion caused during breeding Mare. There will be no refund on breeding or booking fees and the breeding season for this Stallion begins February 1 and ends July 1. However, if Mare fails to conceive, Stallion owner will provide breeding the following year, free of charge (with the exception of a re-booking fee of \$50 and any mare care costs). Stallion owner guarantees a live foal. It is hereby agreed that a live foal is a foal that stands and nurses without assistance. **Please Note that Stallion owner strongly suggests that the mare remain with Stallion owner for 17 days following her last breeding so she can be re-bred immediately if signs of estrus appear or sent home if no signs are apparent and pregnancy can be assumed and an ultrasound done before the mare leaves the ranch therefore alleviating any doubt, guesswork or possibility of a barren mare. Stallion owner will not be responsible for mares that do not settle if mare owner will not leave the mare with Stallion owner to be bred for more than one cycle, if necessary.

This contract shall not be transferable by Mare Owner without the prior consent of Stallion Owner. A Breeder's Certificate for registering the foal will be issued when the Mare Owner notifies The Lewis Ranch of the birth of the live foal and after all bills due on the Mare have been paid.

I, Tina Lewis, Stallion owner, do not make any other warranties or guarantees of any kind implied or expressed in reference to the above contract.
